C-4000 desktop color label printer

Compact and easy to use

The C4000e is a highly intuitive, ready-to-use labeler. Its large 2.7" (6.9 cm) LCD display makes it easy to use. Support rollers can be easily changed and replaced. The model also features an easily replaceable automatic cutter.

Simple integration and connectivity

The C4000e range is easy to integrate and connect to existing systems. Drivers are available for ESC/Label, Linux and Mac. Our new SDKs for IOS and Android enable easy, intuitive tablet printing, and the addition of the Wi-Fi security key gives you the ability to print from anywhere, anytime. ZPLII compatible

Durable inks

Thanks to separate pigment ink cartridges, you can create highly detailed, fast-drying labels that resist smearing, water and yellowing.
